Joke of the day

An Irishman who had a little to drink is driving home from the city one night and, of course, his car is weaving violently all over the road. A cop pulls him over.

"So," says the cop to the driver, "where have you been?" "Why, I've been to the pub of course" slurs the drunk.

"Well," says the cop, "it looks like you've had quite a few to drink this evening".

"I did all right," the drunk says with a smile.

"Did you know," says the cop, standing straight and folding his arms across his chest, "that a few intersections back, your wife fell out of your car?"

"Oh, thank heavens," sighs the drunk. "For a minute there, I thought I'd gone deaf."

PRESIDENT REPORT

Hi everyone, well what a month we would not want something like Yasi to come along to often. I feel sorry for the people living in Cardwell. For those people who do not like to go to meetings here is a little of what went on at our last one. Because of Yasi both forests in Cardwell and Ingham are now closed for the entire year. Cardwell has lost at least 80% of the trees and Ingham is not far behind. That means no rallies up north this year.

At this point in time the QRC RALLY is still on at a place to be announced in the near future. If things do not work out, all competitors will be told very quickly. So anyone wants to be an official or be one of the course cars please contact me. The series this year is to be run over three rallies. The first is down the Tweed way second in Townsville and the third in Rocky.

The hillclimbs are about to start, what is required before they get under way is a WORKING BEE as the pit and hill are in a bit of a bad way, so it will require quite a few hands to get it looking good. SO IF YOU WANT TO RACE PLEASE TURN UP FOR THE WORKING BEE, WHICH WILL BE ADVERTISED BEFORE THE EVENT.

The club is in a tender process at the moment to see if we can get a club house from the council, if successful we will get a 10 year contract on the building. Fingers crossed it will happen. Lastly do not forget the AGM IS ON all members should now have a nomination form, proxy form. If you would like to nominate for a position or nominate someone else please fill the form in and drop it off. There is a Barbeque after the meeting. As always if you wish to discuss anything feel free to either email heartbeat53@msn.com or ring 0417609577.

Bye

Club Meeting
Aitkenvale Library Meeting Room
14 February 2011

Open: 7.50 pm

Attendance: Geoff Nicol, Greg Wright, Emma Nicol, Kerry Cobbing, Stephen Nicol, Marc Fisher, Aiden, Ken Whitby, Wendy Hickey, Lindsay Stone

Apologies:

Secretary: Minutes from last meeting read.

Treasurer: Down to last year. Need to get some events making money. Biggest problems is the dirt events maybe in dispute this year as we are expecting more rain this year compared to last year.

Editor:

Club Captain:

Social:

President:

General:

Ken and Stephen: Truck is gone, too many problems.

Wrightie: QRC no longer 2 rounds now maybe 4. Brisbane is doing a round in April, we will be round 2. Fourth round is back to Brisbane but have been told no.

Wrightie: We are putting a tender in for a clubhouse the choices are. Heatley Scout Hall closes 28 Feb. Rent per year is \$1 if called for. Corcoran Park on Queens Road, Athletics Building, it is a bit bigger than Heatley. Cutharinga Scout Hall but is subject to alot of break in's and Panorama House on Castle Hill. Once we walk in it's up to us to maintain them. Motion passed to apply for Heatley Scout Hall and Corcoran Park. Seconded and Passed.

Wrightie: Forestry has closed the forests until further notice, due to the damage from the cyclone.

Kerry: Has approval for the Hillclimb but is subject to conditions. Main Roads is giving us to much trouble with red tape, many people do not have to do things we need to so the amount of signs will be cut down. A sign will be placed at the bottom to advise people when it will be closed and further up the hill. The hill is currently closed for the next month as powerlink and ergon is up there fixing the power lines. Problems with Mount Stuart at the moment is a major clean up is needed, as everything is overgrown and trees are down everywhere. Entry into pits has been destroyed by trucks. Discussion Held. Scrutineer at Key Motors will be changed to a new location, into the main shed.

Heckler: we need to upgrade the membership forms on the net as we had many calls about when they can sign up and there are old forms online.

Heckler: Voting forms to be sent out. Forms passed out – Motion to approve them Passed and Seconded.

Lindsay: Would like to become the club Chaplin. He is starting the course and would like to offer his services.

Heckler: With the cyclone effecting the forests is it worth while going to Kirkney and having a look to see what the roads are like.

Closed: 8:38pm
